DS:

Instructions for patients admitted to the inpatient department of the SRCOD

RULES

Dear patients!

Please review the list of personal items you will need upon admission to the SRCOD department:

1. A pair of spare shoes (slippers);
2. A change of clothes and underwear (upon admission to the department, it is advisable to have pajamas with a zipper or buttons).
3. Personal hygiene items.
4. A glass, a cup, a spoon, a teaspoon.
5. The width of the individual wardrobe in the patient's changing room is 180×600×500 mm, so large-sized carry-on luggage (suitcase) is not accepted for storage in the SRCOD and must be handed over to relatives or an accompanying person.
6. Thermometer (preferably not mercury-based)
7. Disposable razor.
8. Elastic bandages 5 m × 10 cm – 2 pcs.
9. Compression stockings.
10. Absorbent diapers – 2 pcs.
11. Outerwear and outdoor shoes are stored in the patient's wardrobe upon admission to the hospital.

The use of personal electric kettles, immersion heaters, and bedding is prohibited.
